

REDISCOVER LIFE WITHOUT PAIN

The **Altwork® Signature Station** is designed for ultimate comfort and health support, whether sitting, standing, reclining, or fully laid back. Adjustable head and leg rests, along with a customizable monitor mount, adapt to your body and workflow, reducing strain and easing discomfort. High-density memory foam cushions ensure lasting comfort, while the magnetic desk system keeps everything secure as you shift positions. By minimizing pressure and pain, the Signature Station helps you work comfortably, freeing you to enjoy life after the workday ends.

**shown with Laptop Mount*

An ergonomic, full-support headrest cradles the head and neck to relieve neck strain

Neutral-posture positioning evenly distributes your body weight to eliminate painful pressure points and back strain

Slight elevation of the knees improves blood flow to reduce lower back and hip tension

MAGNETIC WORKSPACE

Using high-powered magnets, this innovative magnetic system keeps everything on your desk securely in place as you recline, even when not in use.

ADJUSTABLE LEG REST

Experience full leg support with a versatile leg rest that independently adjusts to your preferred position—whether extended straight or bent at the knees.

FINGERTIP CONTROLS

A smooth recline and intuitive control panel gives you the power to effortlessly transition from standing to a flat recline and everything in between with just the press of a button.

MEMORY SETTINGS

For a personalized experience, set four of your favorite positions for easy, one-step recall.

ARTICULATING HEADREST

The fully-adjustable headrest automatically adjusts as you recline to maintain consistent neck support at every seating position.

FULL-SUPPORT BACKREST

The spacious backrest is easily adjustable and offers integrated elbow support, keeping you comfortable and strain-free as you recline, so you can work with ease in any position.

RECLINE SYNC

The secure monitor mount automatically adjusts as you recline, keeping your screen at a consistent distance from your eyes in every seating position. **Additional monitor mount options sold separately.**

THE STRENGTH OF STEEL

Designed by aerospace engineers, the durable steel frame ensures reliable, long-lasting performance for years to come.
